I was just looking at the drug receipt and there are additional lab #'s on it ([REDACTED]). Tan was the primary chemist on [REDACTED], he has since retired, would you be trying those drugs as well? Or just [REDACTED]?

Would you be able to do that to be ready for Trial on March 27? I am going to try to resolve the case, but it is a good amount of drugs that were recovered on a search warrant.

Thanks for your help!

Hi Chris,

Yes I would be able to review the GC/MS and I would also have a supervisor look at it as well and sign off on it.

Thanks,

Kate:

Greetings,

I am emailing you about a case that is scheduled for trial on Tuesday, March 27, 2012. I had previously summonsed Annie Dookhan. I just learned that Annie is not available for Tuesday. I will send you a summons for Tuesday. You were

the first chemist on [REDACTED] I was wondering if you could look at Annie's charts to testify on Tuesday if we can't resolve the case.

You can reach me at 617-396-5605. Can you please give me a call back.

Thanks for your help.

Sincerely,

Christopher Meade
